AVAILABLE TO BE SEEN AT THE PALM BEACH INTERNATIONAL BOAT SHOW! LOCATED ON "D" DOCK, SLIP 2.

Exit Strategy is a like new example of the Beautiful Pardo 50. Her stunning Bentley Blue is complimented by the faux teak decking in Bleached Teak with gray caulk lines. She is highly optioned with the IPS 800 (600 HP) Engine Upgrade, Premium Stereo Package, Gyro Stabilizer, IPS Joystick control with Dynamic Positioning System.

When you walk up to a Pardo, the first thing you'll notice are the super clean modern lines. The boat looks almost laser straight and looks like it's going fast just sitting there in the slip. It's just elegant.

As you step aboard, there is an expensive sun pad area at the transom. It's truly the best seat in the house and the perfect place to catch some rays.

Beneath the sun pad is the garage. It's large enough to house a small tender or numerous water, toys, scuba gear, etc. It's the perfect staging area for your sandbar adventures.

Let's step forward and check out the cockpit area. This is the heart of the boat. A huge dining area is perfect for an alfresco lunch or sunset dinner which could be prepared at the outdoor kitchen with a built-in grill just ahead of the table. Vino y tapas while watching the sunset? Yes please!!

Step below and you'll find a Master Cabin decorated in White Oak with Leather accents and Luxurious Soft Goods. The Master Head includes a full vanity and enclosed glass shower.

There's also a twin stateroom and day head in the spacious cabin. The additional crew quarters with private head brings the sleeping capacity to 5.

Back on deck you will find a helm that any captain will love. It is complete with 2 large Garmin touch screen MFD's showing the Radar, Sonar, and Chartplotter functions.

Heading forward to the bow and discover the huge sun lounge and bow seating.
